FEEDBACK FROM FACULTY (2024-2025)

Trinity Institute of Professional Studies is dedicated to fostering continuous quality improvement. To ensure and enhance this quality, a regular feedback mechanism has been established. The IQAC at Trinity Institute of Professional Studies upholds the tradition of collecting mandatory feedback from key stakeholders, including students, faculty, parents, alumni, and recruiters. Our 'Feedback System' is designed to streamline the collection process and efficiently deliver feedback to relevant parties. This approach has proven effective in helping us identify weaknesses, implement corrective actions, and work towards realizing our institutional vision.

FEEDBACK ANALYSIS FOR STUDENTS (2024-2025)

Trinity Institute of Professional Studies is committed to maintaining and improving quality in all aspects of its functioning. To ensure this, we have established a periodic feedback mechanism as part of our ongoing efforts. The Internal Quality Assurance Cell (IQAC) of the institute consistently gathers feedback from key stakeholders- students, teachers, parents, alumni, and recruiters. Our 'Feedback System' is designed to streamline this process, enabling efficient collection and timely responses. This approach has proven effective in identifying areas for improvement and implementing corrective actions, supporting our vision for continuous growth.

Analyses of Students' Feedback

Trinity Institute of Professional Studies (TIPS) conducted student feedback for the academic year 2024-25 as part of its Internal Quality Assurance Cell (IQAC) mechanism. A total of **826 students** responded.

The feedback analysis reveals the following key points:

1. **Teaching–Learning Process**

- The majority of students expressed satisfaction with the knowledge, preparation, and delivery of faculty members.
- Some students suggested incorporating more practical exposure, case studies, and real-life examples to supplement theoretical knowledge.

2. **Curriculum and Resources**

- Students acknowledged the relevance of the curriculum but suggested greater alignment with industry trends and emerging technologies.
- The availability of resources like the library, labs, and digital learning materials was positively highlighted, though some students requested updated reference books and advanced software tools.

3. **Infrastructure and Facilities**

- Classrooms, laboratories, and campus facilities were generally rated satisfactory.
- Students emphasized the need for improved Wi-Fi connectivity and enhanced canteen facilities.

4. **Support Services**

- Guidance and mentoring support from teachers was appreciated.
- Students recommended additional workshops, guest lectures, and placement-oriented training sessions.

5. **Extracurricular Activities**

- Students valued cultural, technical, and sports events organized by the institute.
- Suggestions included more frequent inter-college competitions and skill-based clubs.

Action- Taken Report

S.NO	Feedback Received	Action Taken
1	Need for more practical exposure, case studies, and industry-based examples in teaching.	Faculty members are instructed to include case studies, practical assignments, and real-life examples in lectures. Value-added courses and skill enhancement programs were introduced.
2	Curriculum should be more aligned with industry requirements and emerging technologies.	Feedback forwarded to the University curriculum committee. Departments initiated add-on certifications in Data Analytics, Cyber Security, Digital Marketing, etc.
3	Requirement of updated books, lab software, and better digital learning resources.	Library stock is being updated with the latest editions. Labs upgraded with advanced software. E-learning resources made accessible.
4	Improvement in campus facilities like Wi-Fi and canteen services.	Campus Wi-Fi upgradation process initiated. Proposal for canteen facility improvement forwarded to management. 2 new canteens have come along with Nescafé
5	Demand for more workshops, guest lectures, and placement-oriented training.	Regular workshops, expert lectures, and career counseling sessions are scheduled. Pre-placement training and soft skills sessions were introduced.
6	Request for more extracurricular, technical, and inter-college events.	More hackathons, cultural fests, and inter-college competitions planned. Student clubs and societies are encouraged to organize frequent activities.
