

2.3.2

Teachers use ICT enabled tools for effective teaching-learning process

The institute is ICT enabled. It has projectors installed in every classroom, which enables the students to learn in practical way. The use of ICT tools improves concentration amongst the students due to audio visual teaching pedagogy. The institute has various software like Adobe Photoshop, Corel Draw, Final Cut Pro, Canva, Nuendo, Audacity that helps the student to upgrade the skills as per the industry. Not only this, the faculties also give the computer-based assignments to the students. The faculties use Google Classroom to provide notes, assignment to the students. The students also use ICT tools to give the presentations of the subjects which improves their presentation skills and confidence.
