5.3.2

Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students' representation on various bodies as per established processes and norms)

CLUBS OF MANAGEMENT AND COMMERCE DEPARTMENT

Chameleon- The Literary Club

Chameleon- The Literary Club of Trinity Institute of Professional Studies is a conglomeration of individuals who share a passion for literature. The club's proposal was accepted in December 2022 and it came in existence by March 2023. The club is successfully running under Ms. Shruti Gaur's able guidance, with 29 members.

Till now, the club has organized various online and in-house events and two events at the college level, namely: War of Words and Hindi Diwas. These have been a huge success for the club.

The club's motto is to provide a platform for literary enthusiasts to connect, exchange ideas, and deepen their appreciation for the written word. Thus, in light of this, various inter-club activities are organized, namely club day, debate, etc.

Whether focusing on classic literature, contemporary works, or specific themes, the club fosters a sense of community and intellectual exploration among its members.

Under the Supervision And guidance of: -

HOD of Management Department – Dr Manisha Gupta

Faculty In charge - Ms. Shruti gaur

FINANCE AND ECONOMICS CLUB

The Finance and Economics Club of Commerce and Management Department at TIPS is a student-steered club formed in August 2022 aimed at enhancing financial awareness and knowledge alongside providing a platform to gain exposure in the domain of Finance and economics.

The Finance Club of the Trinity Institute of Professional Studies, Dwarka is a student-driven initiative for fostering a culture for Finance and Economics. It was established with the purpose of enhancing the financial knowledge of students through various conferences, events, activities

workshops and knowledge sharing sessions. The club has adapted to the changing requirements and skill sets of incoming students and has inculcated them within its scope to help establish a strong foundation of financial knowledge outside the classroom.

The Finance and Economics Club is operated by the students members of the club, with the help of guidance of faculty in the finance area. The club's main objective is to provide students a real-life experience of managing funds through applying academic theories to work. The Finance and Economics Club holds knowledge-sharing sessions to share its investment strategies. The Finance Club will always follow its goal to enhance the financial knowledge of students and will continue to utilize its fund as an educational tool to support and enhance the knowledge of its investors. It is dedicated to ensuring a smooth transition from the classroom to the business world. It encourages students to incorporate financial theory and practice into their daily lives. The Club allows students to gain a better knowledge of the complexities of the financial sector while also providing an atmosphere in which they may study, contribute, participate, organize, and network with industry.

OBJECTIVE:

This club was made with a motive to build capacity and generate interest in new questions, insights, methodologies, and techniques in Economics and Finance among faculty members and students to address contemporaneous issues in our society and economy.

Udyami

The Entrepreneurship Cell

Udyami is the Entrepreneurship Society registered by the Dean of Trinity Institute of Professional Studies. The team organizes the Entrepreneurship Fairs, Placement Drives, Workshops on Excel and Word, Quizzes and also many other events held in the college. Being a part of Udyami is a learning opportunity where students can learn skills like team work, management, organizational work, marketing, coordination and confidence. A good place to learn some skills right before graduation.

E-Cell of TIPS is yet a growing society but our vision is to expand and help other students to realize the importance of having professional skills and some amount of work experience during their college days. It is very important to learn practical skills besides knowledge. We want to build a society with enthusiastic, confident and motivated team members. We believe we will gradually grow with constant support from our college to encourage students.

MARKETING CLUB

Good marketing makes the company look smart. Great marketing makes the customer feel smart.” – Joe Chernov

We, at TIPS, have a Marketing Club as "market" minds striving to put all the marketing theories into practice. It Includes various activities to offer the budding marketeers of TIPS with all-round development opportunities. All of the activities are carefully designed to ignite the bright minds of students and to offer them a professional platform where they can share and participate in creativity and ideas. It helps to keep the student community abreast with the latest happenings around the marketing world.

Objective:

We aim to offer students an all-round experience of marketing through industry interactions and activities to help them become proficient Marketing leaders.

- To make the student community aware of the latest happenings in the marketing world.
- To keep the students proactively engaged using various competitions like, business plans, product marketing, digital media advertising campaigns
- To make students come up with creative thinking and problem-solving problems abilities for solving marketing issues through case studies and role plays. There are so many activities in marketing department which we conduct like designing logo, create a tag line, brand awareness, advertisement, poster making competition, marketing quiz, role plays, digital marketing, creativity in sales- Activity, video making, PRO-MARK, AD-MAD competition, content marketing, Guest lecture, JAM Competition and many more.

ALFA – Coding Club

Introduction:

Alfa Coding Club is a vibrant community where coding enthusiasts unite to learn, collaborate, and have fun on their coding journey. With a commitment to inclusivity and a focus on both individual and collective growth, our club provides the perfect space for everyone from beginners to seasoned coders. We explore new technologies, tackle exciting challenges, and build lasting connections in an atmosphere that thrives on the alliance and fun we share along the way.

Objective: The primary objective of the club is to create a space where like-minded individuals can come together, share knowledge, and engage in coding activities that promote both personal and collective growth.

Motto: Alliance of Logic and Fun Along

Highlights of the club:

Collaborative Learning: Coding Club Alfa encourages members to collaborate on coding projects, participate in coding challenges, and share insights. The club serves as a platform for members to learn from one another and collectively enhance their coding skills.

Inclusive Community: The club is committed to inclusivity, welcoming members from diverse backgrounds and skill levels. Whether you are a beginner seeking guidance or an experienced coder looking for a community to share expertise, Coding Club Alfa provides a supportive space for all.

Skill Development: The club organizes workshops, seminars, and coding bootcamps to facilitate skill development. Members have the opportunity to explore various programming languages, frameworks, and technologies, ensuring a well-rounded coding education.

DIRECTOR

Trinity Institute of Professional Studies
(Adj). Metro Pillar No. 1160, Institutional Area
Sector-9, Dwarka, New Delhi-110075

Networking Opportunities: Coding Club Alfa recognizes the importance of networking in the tech industry. Regular meetups, online forums, and networking events provide members with the chance to connect with professionals, mentors, and peers, fostering valuable relationships for future collaborations and career growth.

Hackathons and Competitions:

The club organizes and participates in hackathons and coding competitions, challenging members to apply their skills in real-world scenarios. These events not only offer a chance to showcase talent but also serve as a source of motivation and inspiration.

Social Events: In addition to coding-centric activities, Coding Club Alfa believes in the importance of building a sense of community through social events. Whether it's game nights, coding-themed socials, or casual meetups, the club ensures that members have opportunities to bond and have fun beyond coding.

Coding Club Alfa is not just a club; it's a vibrant community where coding enthusiasts come together to learn, grow, and enjoy the journey of coding, forming lasting connections along the way.
