FUTURISTIC PERSPECTIVE ON FUTURE OF WORK, JOBS AND SKILLS-**

The conference was initiated with a welcome address by Dr. R.K. Tandon, Chairman, TIPS. He acknowledged the impact of the COVID-19 pandemic on our economy, the influx of technology in our work culture, and appreciated how the education sector has adapted to this change.

Dr. Barkha Bahl, Director, TIPS, emphasized the fact that technology has expanded to all sectors of the economy including marketing, law, education, etc., and thus present times call for improving our digital skills to make ourselves suitable for the changing job scenario. We have to keep up with the pace at which technology is transforming society.

Chief Guest Prof. D.S. Chauhan, Pro-Chancellor, GLA University was felicitated by Dr. R. K. Tandon, Chairman, TIPS. Prof. D.S. Chauhan, highlighted the complete sea of change in terms of technological growth in the past few years. The entire world has come to the digital platform. He stressed on the importance of data and statistics in all sectors, and how technology can help overcome cultural and emotional barriers. He addressed the potential of digital technology in sectors like healthcare, agriculture, etc. He emphasized the need for Digital learning, and the need to change according to the industrial revolution to be able to survive in the coming century

Prof. Rajive Kumar, Guest of Honour was felicitated by Dr. R. K. Tandon, Chairman, TIPS. Prof. Rajive Kumar, Guest of Honour for the event talked about the various programs, initiatives, collaborations, future plans of AICTE to spread digital education.

The Conference started by releasing the E-Proceedings of the National Conference. The following link can be traced for the E-Proceedings:-
